Dear Praying Friends,

It is our desire that this letter finds you well and enjoying the immeasurable blessings of the Lord. It is always a joy for us to share with you how the Lord is blessing and growing the ministry in Nagua.

## Vacation Bible School

The weeks before August, we were busy inviting kids to our VBS and making sure that we had the things we needed for the event. VBS was a wonderful week. We started with 48 in attendance on our first day and nine professions of faith, then had a total of 120 in our very last day (twelve of which were parents attending for the first time), and we had over 40 professions of faith in our very last night. That weekend continued with activities related to VBS, including a teen activity and a special award ceremony Sunday night which brought our highest attendance of an evening service with 58. The total profession of faith during that week was 69. Glory be to God for those souls that decided to trust Him.

I would also love to share that during the month of August, we had two special visits that made our VBS possible: Missionary John Tinkle, (whose family is joining us in our efforts to reach this town for Christ), and a supporting church of ours-Salisbury Baptist Temple. There are not enough words to say

how they were such a blessing to us and our ministry. I am sure we were not going to be able to accomplish what we did without them here.

## Container with Bible tracks

The last two prayer letter we asked for prayers for a container with Bible tracks and Johns & Romans that was sent by our field director and was being held at the port. To make the story short, we found out the container was being purposely held by someone that was trying to extortion a fellow missionary. The authorities got involved, some people were fired, but the port was still expecting a payment of ten thousand dollars. I am sharing this to tell you; somehow, the Lord used high-rank officers and even the authorization of the President of the country for the container to be fully exonerated of all charges. I know it doesn't take us by surprise the fact that we serve a Powerful and Mighty God. Moreover, we can rejoice together, hearing of the deliverance of the Lord. It's encouraging to know that He always comes through at the right time.

In Christ,
