SERVING IN
NORTHERN DOMINICAN REPUBLIC

Dear Praying Friends,

09/13/2018

It is our hope that this letter will find you well and enjoying the abundant blessings of the Lord. Here in Nagua, we are amazed by the way the Lord is blessing and growing our church.

Daughters of the King

Nagua is well known in the country for its immorality. A well-known phrase here is "Enter if you want leave if you can" and it refers to the sexual immorality of the city. We did not know the details of this when we moved here, but it has been evident that from an early age, the girls are taught under this worldly philosophy. The Lord used different circumstances to give a heart to Pamela and Mrs. Cynthia Pape to have a princess day, which is based out of the book, "Stay in the Castle." After much preparation, the ladies had this special activity and we had 20 girls attend. The Ladies were able to shared their testimonies and several lessons with them about purity and modesty. Mrs. Cynthia Pape and my wife were amazed by the great amount of response to the Word of God from the broken hearts of the girls that made decisions to be pure. Glory to God! Please pray for these young girls, it is our desire that they would be faithful to keeping the decisions that were made.

First Baptisms

We started the church a little over four months ago and we are so thrilled for the people who have already accepted the Lord Jesus as their savior. Shortly after starting the Church, a young girl came to our church and invited her mom to our Mother's Day activity. Over the course of time they both got saved and during the last week of August, we had the privilege of seeing both of them obey the Lord in believer's baptism and listen to their testimony of faith. It is so exciting because they are the first baptisms of our church plant. If you would please pray for several other people who are taking Biblical discipleship with us but who are still unsure about Baptism and about the great confusion with the teachings of the Catholic Church that is predominant in this city.

Lastly, we recently sent out a video update of our ministry here in Nagua via email to all the churches that we have an email address on our mailing list. The email contains a link where you can download the video for if you would like to share it with your congregation. If you didn't get this email or would like to receive our video update, please don't hesitate to call me at 240-839-8538 or email me at jeffripg@yahoo.com. Thank you so much for your faithful prayers and your financial report.

In Christ,

Jeffri & Pam Polanco
