Dear Praying friends,

Greetings from Nagua! It is our hope that this letter finds you well and enjoying the abundant blessings of the Lord.

Mother's Day

In the past weeks, we have had the opportunity to see the hand of the Lord bless our different ministries and the activities we carried out in order to reach the lost. During the last Sunday of May, we had a special service for mothers and had 43 people in our church for the first time; including my wife's mother, 10 mothers whom visited for the first time, and a father. That morning our visitors were exposed to the truth of the gospel. Because of that activity, we have a mother of one of the girls from our junior church class whom now faithfully attends our church services. A few days ago, Ms. Cynthia Pape shared the gospel with her and her daughter and both got saved. Her daughter's name is Arisleidy and often on Sundays, she asks us to sing, "I've got Jesus on my mind..." And tells us how her mother sings in the house "The joy of Lord is my strength." And there is certainly an indescribable joy when we know the Lord.

Youth Conference

During the first week of June, we had our first youth conference and had a group from Central Baptist Church who were visiting the Pape family. Pastor Dean Miller preached our youth conference and it was a blessing to see how God used him greatly to present the truths of the Bible to young people. In this conference, we had an attendance of almost 100 people. We had other churches join us and had over 30 young people from Nagua. Pamela had the opportunity to lead a young girl to pray and accept Christ as her savior. Her name is Abigail and she has been very sweet to us all since she got saved. She came to church the following Sunday and when we took her back home, she told us that she could not wait to return to church the following week.

Basketball Tournament

It was a great pleasure for us to have Pastor Mike Johns and his group of Gospel Truth Baptist Church come to help us in our ministry during the last week of June. We organized a basketball tournament on the beach; and 24 young people signed up to participate, and dozens of others sat down to watch the tournament. That afternoon we were able to share the gospel with them and a large number of them told us they wanted to be saved. In a prayer, we gave them the opportunity call upon the name of the Lord and many made profession of faith! I was amazed at how focused everyone was in hearing the gospel. Please pray that we can find some way to bring those young people to our church.

May the peace of the Lord be with you,

Jeffri & Pam Polanco
