

"I must work the works of him that sent me, while it is day:
the night cometh, when no man can work." John 9:4

Dear Partners,

May-June 2015

Greetings! I hope this letter finds you doing very well and enjoying the faithful blessings God bestows upon us each and every day.

Thank you so much for all your faithful prayers and support. I've been having a great time throughout the deputation journey. In the months of May and June, I've been able to participate in **twelve different churches** in which **four of them were missions conferences**, and was also able to preach in **two youth conferences**. Throughout this journey, the Lord has provided more supporters to my ministry. I am currently **receiving 29%** of my support and have about **12 % of promised support**.

Also, in all those meetings and conferences I've been able to participate in, I've been able to personally see people saved, and lives surrendered for the cause of Christ. I had opportunities to go out soul winning with pastors and their church members, and have had the privilege and honor to **lead four precious souls to Jesus Christ**. Also-while I was in Colorado Springs, Colorado in a missions conference-God showed up in a tremendous way that I will never forget. I saw a missionary kid get saved, people surrender to full time Christian service, families give up personal material things for the cause of Christ, reconciliation between father and son, and young people dedicate their lives to serve Christ. **God brought revival to that place and I will never forget** that experience.

In the next couple of months, I will be very busy having meetings, helping a supporting church with their summer camp, and preaching a youth conference in the Dominican Republic. I am very excited to have these opportunities to impact the next generation. Please pray for my trip to Dominican Republic as I will also be spending time with the Pape family viewing areas in the north where we are praying about starting our ministry.

Prayer Requests:

- ❖ Favor with meetings for upcoming busy months
- ❖ Promised support to begin come in
- ❖ Good health
- ❖ Safety on the road
- ❖ Trip to Dominican Republic
