

"I must work the works of him that sent me, while it is day:
the night cometh, when no man can work." John 9:4

Dear Partners in the Ministry,

November-December 2014

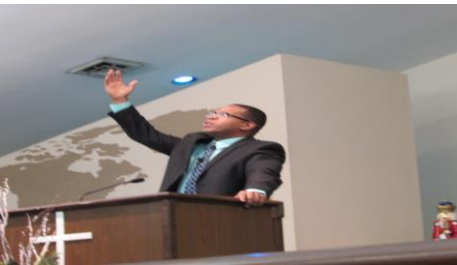

Happy New Year! I hope this letter finds you doing well and looking ahead with great expectation that the Lord will do great and mighty things in 2015.

Many things happened since my previous letter in November. I was able to spend a good amount of time in North and South Carolina in the month of November and in the Northeast in December. I went to two different mission's conference, was able to present/preach to six different churches, and was able to meet young men whom God is speaking to about going into the ministry. I saw

the Lord do great and mighty things. In fact, during one of the Mission's Conference, the Lord answered my prayer of a need for a projector; and through the church's efforts of raising money, they were able to provide me with a projector.

December was a much slower month compared to November, but I was able to stay busy by preaching, teaching, and helping at my home church. Also, I was able to attend to BIMI's winter's candidate approval and be **approved as a BIMI Missionary** by the Executive Board of Trustee. Currently, I **have 10 percent** of support coming in, and have another 9 percent promised that I am praying that will begin to come in soon.

To begin this 2015 year, I have renounced to my job at Chick Fil A and am going on full time deputation. I look forward to what the Lord is going to do in 2015 with my life. Also, In the Last week of February, I will be taking a two weeks **trip to the Dominican Republic** to visit some cities in the northwest side of the country and spend some time with a couple of veteran missionaries that have established churches.

Thank you for your prayers, may God bless. In Christ
Jesus,

Prayer Request:

- ❖ *More meetings for 2015*
- ❖ *Promised support to start coming in*
- ❖ *Safety on the road*
- ❖ *Good health*
- ❖ *Trip to the DR*
