

"I must work the works of him that sent me, while it is day;  
the night cometh, when no man can work." John 9:4

Dear supporters,

November-December

Greetings from the state of Maryland! Thank you so much for your prayers and support. I hope you had a Merry Christmas and a wonderful happy New Year. Time just flies by; it feels as we had just started 2015 and now we already are in 2016. I am so thankful for all the opportunities the Lord gave me in 2015 to present my burden and preach his word.

A year ago in January, I quit my job as manager at Chick Fil A and began full time deputation. Since then **I have driven over 32,241 miles and been able to pick up over 35% of my support. The month of November was one of the busiest months for me.** I was in 13 churches from where three of them were missions conferences and I spent most of my time in Texas. Moreover, while I was in a missions conference that month in Iglesia Bautista Libertad, I met a young man who heard my testimony; and then asked me how old I was and I told him I was twenty three years old. After he heard that, his eyes opened and said, "That's how old I am!" To make a long story short, that young man was having debates with God on whether he should serve him or not but he decided that he was going to go to Bible college to prepare himself. It is such a joy that God would use my testimony and preaching to challenge/help other young men to serve the Lord. Also, **in these last two months, I had seven new churches vote to take me on for support. Currently, I am receiving 36% and support level will go up from the churches that will begin to send support in this month.**

### Prayer Requests:

- \*Meetings for 2016*
- \*Safety on the road*
- \*Promised support*
- \*Good health*
- \*Wedding preparations*

In the year of 2015, I was also able to have a big prayer answered. Throughout my Christian life, I have constantly sought and waited on the Lord on whom I should marry. I am so glad to announce that I have found the young lady that the Lord wants me to spend the rest of my life with.

She is out of Missionary Joshua Wesson's (he passed away last August) church in the Dominican Republic. **We got engaged a day after Christmas** and are looking forward to what the Lord is going to do through us in the Dominican Republic. A special thanks to Good News Baptist Church in Chesapeake, VA for raising some money while I was in their missions conference in October for my fiancé's flight to the states and make it a possibility for her to spend Christmas and New Years with me.
