SERVING IN
NORTHERN DOMINICAN REPUBLIC

Dear prayer and ministry partners,

Our desire is that this letter finds you well and enjoying the wonderful blessings of the Lord. Every day his Faithfulness is shown to us. We have seen the Lord protect, open doors and answer so many prayer requests.

From Disaster to Opportunity

As many of you know, we had two hurricanes come through the Caribbean in just a matter of two weeks. Thanks to Lord, both hurricanes passed north of the DR so we only had heavy rain in the capital. But in many of the cities in the north received a lot of damage. One of those cities was Nagua. (where we are planning to move to and plant a church) Part of the city was destroyed and many families lost their homes; yet through this disaster, the Lord opened a door for us to help the people that were affected. A group from a church in the capital had a medical team, bags of food, and medicine that they wanted to give to the people in Nagua. They found out that we will be planting a church there soon; they asked us to be the face of the program and we were able to give out tracks, inform of the church coming soon, preach the gospel and make connections with people.

Earlier this month, Lighthouse Baptist Church (where we are temporarily serving in the capital) held a fundraising carnival for their temple. Through that carnival, we accumulated not just funds for the building project but also some good prospects for church visitation. In addition to that, we had a youth rally where I had the opportunity to preach the word of God and Glory to God, two souls trusted Christ as their savior. lastly, we are excited that the Pape family has arrived in the country and look forward to what the Lord will do through us in Nagua soon.

In Christ,

Jeffri & Pam Polanco
