SERVING IN
NORTHERN DOMINICAN REPUBLIC

Dear Praying Friends,

10/13/2018

It is our hope that this letter will find you well and enjoying the abundant blessings of the Lord. During the month of September, the Lord tremendously blessed us as we labored to reach the lost for Christ and disciple the new converts. We certainly couldn't have done it without your prayers and support.

Summer Teen Competition

During the summer time, many people in Nagua go away to visit family and friends, and go on vacation. Due to the many different opportunities for our teens to be out of church, we had a competition where we challenged them that even though they were on vacation from school, that they should never take a vacation from being faithful to God. Therefore, in June we initiated the competition and we ran it until September. They collected points if they attended the church services, brought their Bibles, memorized the Bible verse of the week, invited friends to church, and they had bonus points for serving the Lord. (helping with the different summer activities and conferences, cleaning church, etc.) We had about 15 teenagers that were participating and it was so exciting to see them compete with their friends. It was such a joy to see many of them with their Bibles in church and excited about serving the Lord. Many of them memorized

their Bible verses every week, some would pass out tracks with us, and others invited their parents, friends, and neighbors to church. The teens had a great spirit and were very passionate about being faithful to the Lord. In the end, the seven teens that had the most points were rewarded with a trip to las Terrenas, where they were able to drive ATVs and learned more about the Dominican culture. We are so grateful and excited for all of our teens and how the Lord has been working in their lives.

New Visitors

We are so thankful for all the new visitors and the people that have gotten saved during the month of September. The Lord has blessed our efforts as we visit and invite folks to church. On Sundays, **we have been averaging 27 in attendance during the morning and 22 during the evening service.** We have had new visitors every week during this month and **have seen 3 people saved.** Also, as many of you know from

our previous prayer letter. Our church sign was in very bad shape due to the beer truck that ran into it and damaged it. We have been **praying for the Lord to provide for us to fix it and he has answered our prayer.** As we called someone to take down the sign because it was about to fall, that day, we received an email from someone saying that the Lord put in their heart to cover the cost of fixing it. I am so glad we serve an on-time God who always provides for all of our needs.

In Christ,

Jeffri & Pam Polanco
