

# JEFFRI & PAMELA POLANCO

SERVING IN DOMINICAN REPUBLIC

Dear praying friends,

November

We hope and pray this letter finds you doing well and enjoying the blessings of the Lord. We thank you so much for your faithful prayers and financial support. In the last two months, we have been very busy, have seen new churches take us on for support, and seen the Lord answer prayers.

## *Soul saved on visitation*

In September, we spent most of our time in Florida and had many good meetings. We **presented in eight churches and so far, two have taken us on for support.** During one of the meetings, we had the opportunity to go out on visitation. We visited a Spanish lady who sent her son to an English speaking church but she never attends because she doesn't understand English. **We witnessed to her and she accepted Jesus as her savior** after going through the plan of salvation for over forty minutes. She was very blinded/confused by so many religions, churches, and denominations; but praise the Lord she found Jesus. We were saddened that there is no Spanish speaking Baptist Church or Christian that can disciple her. "The harvest truly is plenteous but the labours are few." We praise the Lord for the opportunities that we have to witness to people as we travel. In October, we were very busy. **We had a total of nine meetings of which six were missions conferences.** So far, we have two churches take us on for support and have positive feedback of the many of the others that may take us on in the months to follow. We started the month with a missions conference in Orlando, Florida and were able to leave to the northeast a day before Hurricane Matthew went through. Weeks after that, Pamela and I noticed that we didn't have a heavy jackets for this winter and during a conference in Shinglehouse, PA, the church bought us some really nice winter jackets. Praise the Lord for his provision.

## Prayer Requests:

- **We are currently at 65%** of our support level and are praying that we could **finish deputation by May or June of 2017.** Please pray with us that the Lord will speed our time on the road.
- Pamela's final step for her tooth treatment on November 8<sup>th</sup>.
- Promised support
- Good health and safety as we travel.
- Scheduling for 2017

## *Pam's Tooth Follow-Up*

We have good news in regards to Pamela's tooth infection. The dentist was able to treat the infection, then she had to get a root canal done, and now on November 8<sup>th</sup>, she will be finishing her last step to her treatment. We want to thank you for praying for Pam's tooth situation and for the payments we had to deal with. **A special thanks to First Baptist Church of Boca Grande, Florida for sending us a special love offering to pay off a large amount of that expense.**

Reaching the Dominican Republic,

Jeff and Pam Polanco
