

Dear Praying Partners,

December 22, 2016

We hope this letter finds you doing well and enjoying the most wonderful season of all, Christmas! It's unbelievable that this year is about to come to an end and that we will be going into a new year in just a few days.

Deputation Update

We want to thank you so much for your faithful prayers and support of our ministry throughout this year. The past two months have been a great finish of deputation for this year. We were in a total of nine meetings of which three were missions conferences during the months of November and December. We had two churches that we had previously visited earlier this year take us on for support; and many of the churches that we visited in the last two or three months will be having their business meeting in January, so we look forward to seeing new churches partner with us very soon. We are currently at 70% of our support and are expecting that to rise in the months to come.

Fior's Salvation

We are so grateful and excited to announce that Pam's mom Fior got saved a few weeks ago, in Pam's home church, Iglesia Bautista el Faro in the Dominican Republic where the Pape family are currently serving. We and others have witnessed and prayed for Fior's salvation for many years.

We are so humbled to know that she gave her heart to Christ! Please pray for her and other converts from that church as the Pape family work with their discipleship and Christian growth.

Lastly, We appreciate all the churches that sent Christmas gifts and we want to wish you all a very Merry Christmas, and a Happy New Year. May God continue to bless through the holiday season, and throughout 2017!

In his Service,

Jeff and Pam Polanco
