SERVING IN
NORTHERN DOMINICAN REPUBLIC

Dear Praying Friends,

It is our desire that this letter receives you well and enjoying the endless and wonderful blessings of the Lord. It fills us with joy to write this letter to share with you what the Lord has been doing in Nagua.

FAMILY CAMP

We praise the Lord that we were able to take 7 youngsters and 4 children to the Family Bible Camp organized by the Mount Calvary Baptist Church during the first week of July. We are very grateful for your prayers and also for those who sacrificed financially to help our young people go to Camp. Our young people were exposed to good preaching from the Word of God and we've seen the positive way in which this has impacted their lives. It has even opened doors with some of their parents who have seen a change in the hearts of their children. They now have a new desire to be more obedient to their parents and many of them are joining us as we go out to evangelize.

BAPTISM SERVICE IN THE BEACH

A few months ago, I had the privilege of leading three siblings on how they could be sure that that they would go to heaven when they die. They accepted the message of the gospel and from that day on, we began to see the joy of the Lord in their lives as they began to grow in the Christian life. And even though they are young, their desire to grow and let the Holy Spirit direct their lives has become very evident. With that being said, On Thursday, July 11, we had a baptism service at the beach and it was a great joy to see them share their testimony of salvation and take the next step in the Christian life. They have countless times told us that they love us, are grateful to be in our church, and that their lives before Christ had no meaning. It is converts like these that just gives you a spark to keep on going.

NOT WILLING THAT ANY SHOULD PERISH

When I think of Peters words and look around me, I always think "Lord I know it is not your desire that these people perish without knowing you, help me" and the Lord certainly gives me the encouragement that I need to continue sharing his precious message of hope. Living in a society focused on works as a means of salvation, I am grateful and joyful for every person I see understanding the message of the gospel. This month 3 new names were written in the Lambs Book of Life. Among them is a young man who is 12 years old that I met while soulwinning. This young man had a great thirst for the gospel and was visiting the Mormon temple for several months. Please pray for this young man. We had him with us last Sunday visiting us for the first time after his salvation.

Prayer Requests:

- Discipleship and spiritual growth.
- Different building to have our church.
- VBS in August.
- Container of Tracts and Romans as we are still trying to get it out.

In Christ,

Jeffri & Pam Polanco
