

"I must work the works of him that sent me, while it is day:
the night cometh, when no man can work." John 9:4

Dear Praying Friends,

March-April 2016

Greetings! I hope this letter finds you doing well and enjoying the blessings and riches of his glory. Thank you so much for your faithful prayer and support.

Thank you so much for praying that the Lord would provide meetings and give me favor with churches. The Lord allowed me to stay very busy on the road and travel to numerous places in the past two months. **I was able to be in a total of 15 meetings of which six of them were missions conferences.** Throughout that time that I was in all those churches, the Lord allowed me to be able to go out visiting with the churches and won four souls in two different states. Praise the Lord for the souls saved. Also, in the past two months, **six churches have voted to take me on for support, 7% of promised support will come in the next month or two and am currently receiving 58% of my support.**

Prayer Requests:

- *Upcoming meetings**
- *Safety on the road**
- *Promised support**
- *Good health**
- *Wedding Preparations**

The Lord gave me the opportunity to preach at Our Time Youth Conference in Washington, Iowa this year in April and the Lord did great and mighty things. God used all the speakers and the young people were challenged to choose life or death. Many young people got saved, got things right with the Lord, and surrendered to full time Christian service. **The altar was flooded with young people; and I had a young lady that told me, God used you when you preached and I have surrendered to be a missionary.** What a joy to hear that young lady say that. We need

more laborers in the field.

Also, in the midst of my busy spring, I was able to fly down to the Dominican Republic for a few days in March and visit some cities with the Pape Family. We have been praying for the Lord to show us where we would start the first church in the north of the country. We went to Cotui and Nagua where there are so many people but no Bible preaching churches. We are still not sure as to where the Lord would want us to start the church but

we are heavily praying for these cities. Please pray with us that the Lord will guide us and show us where. During that trip, I was also able to spend some time with Pamela. We are just so excited about our future together and what the Lord will do through us. The wedding is coming up very soon!!! **When I write the next prayer letter, I will no longer be saying I, I, I, but We, We, We. I will be married to the love of my life.**

Thank you so much for all your prayers and support!
